Medical Plan Options

If you already have health insurance coverage through Medicaid, Medicare, or another plan, you do not need to enroll in these healthcare products, as your existing coverage meets your healthcare needs.

If you choose to enroll, the cost of the plans will be deducted from your Wage Parity dollars.

- Syphilis screening for all adults at higher risk
- Tobacco use screening for all adults and cessation interventions for tobacco users
- Tuberculosis screening for certain adults with symptoms at high risk

Preventive benefits for women

- Bone density screening for all women over age 65 or women aged 64 and younger that have gone through menopause
- Breast cancer genetic test counseling (BRCA) for women at higher risk (counseling only; not testing)
- Breast cancer mammography screenings: every 2 years for women over 50 and older or as recommended by a provider for women 40 to 49 or women at higher risk for breast cancer
- Breast Cancer chemoprevention counseling for women at higher risk
- Breastfeeding comprehensive support and counseling from trained providers, and access to breastfeeding supplies, for pregnant and nursing women
- Birth control: Food and Drug Administration-approved contraceptive methods, sterilization procedures, and patient education and counseling, as prescribed by a health care provider for women with reproductive capacity (not including abortifacient drugs). This does not apply to health plans sponsored by certain exempt "religious employers."
- Cervical Cancer screening: Pap test (also called a Pap smear) for women 21 to 65
- Chlamydia infection screening for younger women and other women at higher risk
- Diabetes screening for women with a history of gestational diabetes who aren't currently pregnant and who haven't been diagnosed with type 2 diabetes before
- Domestic and interpersonal violence screening and counseling for all women

Preventive benefits for women (continued)

- Folic acid supplements for women who may become pregnant
- Gestational diabetes screening for women 24 weeks pregnant (or later) and those at high risk of developing gestational diabetes
- Gonorrhea screening for all women at higher risk
- Hepatitis B screening for pregnant women at their first prenatal visit
- Maternal depression screening for mothers at well-baby visits
- Preeclampsia prevention and screening for pregnant women with high blood pressure
- Rh Incompatibility screening for all pregnant women and follow-up testing for women at higher risk
- Sexually Transmitted Infections counseling for sexually active women
- Expanded tobacco intervention and counseling for all pregnant tobacco users
- Urinary incontinence screening for women yearly
- Urinary tract or other infection screening
- Well-woman visits to get recommended services for women

Telemedicine

➤ Commonly Treated

Allergies
Arthritic Pain
Bronchitis
Cold/Flu
Conjunctivitis
Diarrhea
Ear Infections
Headache
Gastroenteritis
Insect Bites
Sprains/Strains
Respiratory Infections
Sinus Infections
Upset Stomach
Urinary Tract Infections

➤ The Telemedicine Solution

Our telemedicine benefit provides you and your family access to board certified physicians around the clock (**24/7/365**) via telephone or secure video. Telemedicine physicians can give advice, diagnose or treat illness, and even prescribe medication right over the phone. With healthcare costs rising, an office visit with a PCP or Urgent Care Center can range from \$155 to upwards of \$300, and an ER visit can average almost \$1,000*. With this benefit, there is no cost to you or your family for a consultation.

📱 Access your Account

Recuru Health's Virtual Urgent Care and Virtual Behavioral Health provide members with:

- 24/7 access to board-certified doctors for treatment of urgent medical concerns
- No-cost virtual access to a Psychiatrist or Licensed Counselor whenever and wherever they need it

Access care via the HealthWallet mobile app (scan the QR code above) or call **1-855-6RECURU**

Medmo Provides Access To The **Best** Medical Imaging Appointment For You

For most patients, getting medical imaging is a painful and frustrating experience. Many times, patients wait longer, travel farther, and pay more than what they should.

Medmo is here to make imaging easy and affordable.

High-value imaging— **without** breaking the bank

Medmo helps you understand your options so that you can maximize your benefits and reduce your patient responsibility.

Find a time, location, and price that works **for you**

Medmo's sole purpose is to ensure the medical imaging process is as pleasant and seamless as possible.

Simple and Straightforward Process

- Call Medmo at **(844) 248-2292** to share your imaging (Xray, Mammogram, Ultrasound, CT and MRI) prescription information and availability
- Medmo will find imaging centers to determine the best match based on quality, your availability, network status and pricing
- Pre-authorization requirements apply
- Simply show up for your appointment and Medmo will have a copy of the results available for both you and your physician

Register Now

MEC Companion Card

Register
